- The problem in this area has to do with traffic and transportation routes to and from where arsenals of weapons are kept.

- The U.S. position should be to get people out of this area with heavy emphasis on heavy weapons.

out of time frame. The new

quit and quit threads

will not be in place for

another 3-6 months. The

US should have the assistance of other countries,

to include the Soviet Union, on

- The names "Mr. Fellow" and "Dr. Owners" phonetically surfaced as being related to this issue.

- OAS involved here.

- Big concern - US position in this area.
